This training will give you new tools and information to help you explain the Affordable Care Act in large and small groups.

You will learn messaging techniques that help people understand how the law will really affect our families.

In addition, you will learn about resources to help you separate myths from facts.

The training will also provide a basic understanding of the Affordable Care Act and what happens next, including:

- ▶ How families, individuals and small businesses can get affordable health insurance
- ▶ New consumer protections for all of us with health insurance
- ▶ Financing the law and cost savings
- ▶ Some Missouri and Kansas specific information
- ▶ Preventive Services and other benefits now available at no cost
- ▶ Consequences of not implementing Medicaid Expansion in Missouri and Kansas
- ▶ Challenges of Market Place Enrollment starting October 1, 2013
