Part I

Item 11 a

The taxpayer received a determination letter from the IRS dated August 5, 2010 (the "Determination Letter") that the taxpayer is a "Type I" supporting organization within the meaning of section 509(a)(3) of the Internal Revenue Code of 1986 (the "Code"). The Determination Letter was received in response to the taxpayer's request to have its public charity status changed, with such request providing detailed information that established the taxpayer's classification as a Type I supporting organization. A copy of the Determination Letter is included with this return.

Part IV, Section A

Item 1

The taxpayer's supported organizations are designated by class or purpose in the taxpayer's Restated Articles of Incorporation. They are governments and non-governmental organizations a primary purpose or function of each of which is to provide healthcare related services or to support and promote the provision of healthcare related services and healthcare access and quality as outlined in the taxpayer's Articles of Incorporation. Pursuant to the taxpayer's Restated Articles of Incorporation the organizations described in sections 509(a)(1) and 509(a)(2) of the Code that the taxpayer supports include the following two groups.

* One group is the units of government that operate, supervise, or control the taxpayer for purposes of section 509(a)(3)(B)(i) of the Code. These units of government are: (1) the State of Kansas; (2) the Unified Government of Wyandotte County, Kansas; (3) Johnson County, Kansas; and (4) Allen County, Kansas (collectively, the "Controlling Governments").

* The other group consists of all public charities that are closely related in purpose or function to these governments in terms of the delivery and the support and promotion of healthcare. This group includes essentially all public charities with a healthcare focus that operate in the area which prior to April 1, 2003 was served by the Health Midwest integrated health system, *i.e.*, in Wyandotte, Johnson and Allen counties in Kansas and Kansas City, Missouri and Jackson, Cass and Lafayette counties in Missouri (the "Service Area").

Item 2

Before making a grant to an organization, the taxpayer will request a copy of the organization's most recent IRS determination letter to determine whether the organization is recognized by the IRS as an organization described in section 509(a)(1) or (2) of the Code. The taxpayer will also review the organization's status as listed on GuideStar Charity Check to confirm the organization's classification as an organization described in section 509(a)(1) or (2) of the Code prior to making a grant.

The taxpayer generally does not provide grants to organizations that are not described in section 509(a)(1) or (2) of the Code. However, there are limited situations where the taxpayer has made grants to organizations that are recognized by the IRS as organizations described in section 509(a)(3). Most often this involves situations when there is not a viable section 509(a)(1) or 509(a)(2) organization available to efficiently distribute funds or to operate programs in particular healthcare fields. Thus, in order to support and promote healthcare for individuals and communities needing assistance in such healthcare fields, the taxpayer will make grants to section 509(a)(3) organizations that can provide assistance if there is not a viable section 509(a)(1) or 509(a)(2) organization that serves this need.

The purpose and activities of the section 509(a)(3) organizations that receive grants from the taxpayer must satisfy the requirement in the taxpayer's Restated Articles of Incorporation described above, namely that each such organization's purpose and activities are closely related in purpose or function to the governments listed in the response to Item 1 above in terms of the delivery and the support and promotion of healthcare. The taxpayer made in 2015 a total of 135 grants of approximately \$4.4 million to 75 public charities and governmental entities recognized by the IRS as organizations described in section 509(a)(3) in accordance with the above criteria.

Items 5a and c

As indicated in Item 1 above, the taxpayer supports two groups of supported organizations. The supported organizations included in the first group are the Controlling Governments. No supported organization listed in this first group has been added, removed, or substituted since the taxpayer received the Determination Letter.

The second group is defined broadly in the taxpayer's Restated Articles of Incorporation that its practical effect is to include all public charities with a healthcare focus that operate in the Service Area. The nature of the taxpayer's activities is such that it may vary the amount of support it provides to a particular supported organization in this second group from year to year. For example, in some years a supported organization may receive a grant that is intended to provide support for more than a year. Thus, the organization may not receive another grant from the taxpayer for one or more years following the year that the multi-year grant was made. However, it does not mean that the organization has been removed or substituted as a supported organization by the taxpayer.

In the event a supported organization is added, substituted, or removed by the taxpayer, there may be a number of reasons why this occurs. The reasons include a shift in the healthcare needs of individuals living in the area served by the taxpayer, the supported organization no longer provides such services or goes out of existence, another supported

organization is more effective in providing such services, or for other similar reasons, with some of the reasons out of the control of the taxpayer.

Part IV, Section B

Item 1

As described in more detail in its request for which the IRS issued the Determination Letter, the taxpayer is "operated, supervised, or controlled by" one or more organizations de-

scribed in sections 509(a)(1) or 509(a)(2) of the Code, as such term is used in section 509(a)(3)(B)(i) of the Code. Specifically, the taxpayer is operated, supervised, or controlled by the Controlling Governments, each of which is a unit of government described in sections 170(b)(1)(A)(v) and 509(a)(1) of the Code. The remainder of the discussion describes the relationship between the taxpayer and the Controlling Governments.

The taxpayer's Board of Directors has 17 members. The 17 members of the taxpayer's Board of Directors are selected through a process that has three steps. These steps are as follows.

Step 1. The Controlling Governments designate all of the voting members of a nominating committee called the "Community Advisory Committee". Additional information about the Community Advisory Committee is set forth below.

Step 2. The Community Advisory Committee nominates a slate of qualified candidates for open positions on the taxpayer's Board of Directors. The Community Advisory Committee may, if it so desires, nominate its own members for the open positions on the Board of Directors.

Step 3. The Board of Directors elects Directors to fill open positions on the Board of Directors from among the nominees chosen by the Community Advisory Committee. No one else may be elected.

The Community Advisory Committee consists of 13 appointed members plus one ex officio, non-voting member. The 13 appointed members are appointed directly by the Controlling Governments. Specifically, one, the State of Kansas appoints six members of the Community Advisory Committee (three are appointed by the Kansas Governor and three are appointed by the Kansas Attorney General); two, Johnson County, Kansas appoints four members of the Community Advisory Committee; three, Unified Government of Wyandotte County, Kansas appoints two members of the Community Advisory Committee; and, four, Allen County, Kansas appoints one member of the Community Advisory Committee. The ex officio, non-voting member of the Community Advisory Committee at any given time is the individual who at that time is the taxpayer's chief executive officer.

In terms of control, the Controlling Governments appoint 100 percent of the voting members of the Community Advisory Committee. As a result, the Controlling Governments exercise absolute control over the committee. Thus, the Controlling Governments, albeit indirectly, appoint all of the taxpayer's Directors because (i) all of the taxpayer's Directors at

any point in time are individuals who were selected as potential Directors by the Community Advisory Committee; and (ii) all of the voting members of the Community Advisory Committee are appointed by, and the committee is absolutely controlled by, the Controlling Governments.

Item 2

As discussed in Part IV, Section A, Item 1, the taxpayer supports two groups of section 509(a)(1) and 509(a)(2) organizations described as follows:

The Reach Healthcare Foundation
Federal employer identification number: 20-0337230
Attachment to Schedule A to Form 990

* One group is the units of government that operate, supervise, or control the taxpayer for purposes of section 509(a)(3)(B)(i) of the Code (i.e., the “Controlling Governments”).

* The other group consists of all public charities that are closely related in purpose or function to these governments in terms of the delivery and the support and promotion of healthcare and healthcare access and quality as outlined in the taxpayer’s Articles of Incorporation. This group includes essentially all public charities with a healthcare focus that operate in the Service Area.

The taxpayer makes grants to the supported organizations described in the second group that are to be used to help such supported organizations accomplish their charitable purposes. The activities of the supported organizations in this group are closely related in purpose or function to these governments, i.e., the delivery and the support and promotion of healthcare of the residences living in the region that the government units are located.

Dear Sir or Madam:

In your letter dated April 21, 2010, you requested classification as a public charity described in section 509(a)(3) of the Internal Revenue Code.

In our letter dated May 2004, we determined that you were exempt under section 501(c)(3) of the Code. We further determined that you were not a private foundation, and you were classified as a public charity described in sections 509(a)(1) and 170(b)(1)(A)(vi) of the Code.

Based on information you provided, we have determined that you meet the requirements for classification as a public charity described in section 509(a)(3) of the Code. Specifically, we have determined that you are a Type 1 supporting organization under section 509(a)(3). A Type 1 is operated, supervised, or controlled by, a Type 2 is supervised or controlled in connection with, and a Type 3 is operated in connection with one or more publicly supported organizations. Accordingly, this letter modifies our letter of April 27, 2008, and we have modified your public charity status in our records as you have requested.

Since your exempt status was not under consideration, you continue to be classified as an organization exempt from Federal income tax under section 501(c)(3) of the Code.

Grantors and contributors may generally rely on this determination of your foundation status unless the Internal Revenue Service publishes notice that you are no longer recognized as tax exempt or classified as a public charity in the Internal Revenue Bulletin. However, if a grantor or contributor takes any action, or fails to take any action, which causes you to lose your exempt status or causes you to be reclassified as a private foundation, that party cannot rely on this determination. Furthermore, a contributor or grantor who knows that the Internal Revenue Service has notified your organization of any change in your exempt status or foundation status cannot rely on this determination.
